Bhadale IT

Sl.No	Project Name	Time/ Duration	Project Brief	Our offering category	Proj Status
113	Bhadale group of companies health and life science products catalogue	Apr-20	This is our first version of product offering for the health care and life science industry. We offer IoT cloud based remote patient health monitoring and AI CNN based deep learning based advanced diagnostics packages	Products	Complete
114	Bhadale group of companies health and life science products catalogue		Intelligent Health monitoring system:Details for Level 2 to be generated and integrated with general /other frameworks	Products	New
115	Bhadale group of companies health and life science products catalogue		Smart diagnostic system:Details for Level 2 to be generated and integrated with general /other frameworks	Products	New
546	Bhadale group of companies - health and life science innovations programs catalogue	Mar-19	These are our offerings for the healthcare and life science industries. We use nano-particles, nano-silver, AI / ML for the drugs, equipment and implants/ devices that help in improved lifespan, less usage of antibiotics and effective ways of diagnosis and treatment of diseases.	Research	Complete
547	Bhadale group of companies - health and life science innovations programs catalogue		Smart Drug Delivery: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
548	Bhadale group of companies - health and life science innovations programs catalogue		Smart Diagnosis: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
549	Bhadale group of companies - health and life science innovations programs catalogue		Smart Nanocoatings: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
550	Bhadale group of companies - health and life science innovations programs catalogue		Smart anti-microbial technologies: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
551	Bhadale group of companies - health and life science innovations programs catalogue		Smart Medical batteries: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
642	Bhadale group of companies services catalogue for health and lifescience sector	Dec-18	This is our offerings for the Healthcare and Life-science industry. We focus on applying AI / ML to this industry and offer value added services for modernization of the engineering and IT systems	Services	Complete
643	Bhadale group of companies services catalogue for health and lifescience sector		Health care services- general: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
644	Bhadale group of companies services catalogue for health and lifescience sector		Life science services – general: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
645	Bhadale group of companies services catalogue for health and lifescience sector		Intelligent solutions for healthcare and Life science: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
646	Bhadale group of companies services catalogue for health and lifescience sector		Research project analysis and planning services: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
647	Bhadale group of companies services catalogue for health and lifescience sector		Research project technical infrastructure services: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
648	Bhadale group of companies services catalogue for health and lifescience sector		Intelligent EHR services: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
649	Bhadale group of companies services catalogue for health and lifescience sector		Intelligent Physician services: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
650	Bhadale group of companies services catalogue for health and lifescience sector		Intelligent solutions for Dental services: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
651	Bhadale group of companies services catalogue for health and lifescience sector		Intelligent Paramedic services: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
652	Bhadale group of companies services catalogue for health and lifescience sector		Intelligent training services for Health care and Life science: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
653	Bhadale group of companies services catalogue for health and lifescience sector		Intelligent modernization services for legacy systems: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
654	Bhadale group of companies services catalogue for health and lifescience sector		Integration services for Healthcare and Life science projects	Services	New
655	Bhadale group of companies services catalogue for health and lifescience sector		Legality, ethics and compliance related QA services -: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
656	Bhadale group of companies services catalogue for health and lifescience sector		Engineering services for equipments: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New

657	Bhadale group of companies services catalogue for health and lifescience sector		Management consulting services: Details for Level 2 to be generated and integrated with general /other frameworks	Services	New
