Sl.No	Project Name	Time/ Duration	Project Brief	Our offering category	Proj Status
47	Master research catalogue v1.1	Aug-20	This is our updated version of research offerings with hyperlinked items to details of our offerings in areas of emerging technologies	Research	Complete
171	Bhadale group of companies sample research abstracts	Feb-20	Abstracts of few research projects that are offered to support research funding, grants and visibility into the work to be accomplished during the research tenure	Research	Complete
474	Bhadale group of companies - research-oriented - research adoption services catalogue	May-19	Our offering for you to adopt technologies undergoing research and are in demand; we offer value adds and feature benefits to you, your team and your offerings.	Research	Complete
475	Bhadale group of companies - research-oriented - research adoption services catalogue		Research adoption services- Knowledge sharing workshops: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
476	Bhadale group of companies - research-oriented - research adoption services catalogue		Research adoption services- Awareness seminars: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
477	Bhadale group of companies - research-oriented - research adoption services catalogue		Research adoption services-Knowledge sharing workshops: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
478	Bhadale group of companies - research-oriented - research adoption services catalogue		Research adoption services-Assist in design, orientation of programs /services: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
479	Bhadale group of companies - research-oriented - research adoption services catalogue		Research adoption services-Being a mentor at your workplace: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
480	Bhadale group of companies - research-oriented - research adoption services catalogue		Research adoption services-Regular meetings to confirm progress: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
481	Bhadale group of companies - research-oriented services engineering products catalogue	May-19	This is our research offerings for engineering products design for the IT industry. We offer market survey, hypothesis testing and recommendations with solutions based on test outcomes. All tests are lab certified and evaluated by external engineering auditors	Research	Complete
482	Bhadale group of companies - research-oriented services engineering products catalogue		Research based engineering products design- general: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
483	Bhadale group of companies - research-oriented services engineering products catalogue		Research based engineering product design- Data center – client-server, & tenant focused: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
484	Bhadale group of companies - research-oriented services engineering products catalogue		Research based engineering products design- IT and data processing products- client focused: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
485	Bhadale group of companies - research-oriented services engineering products catalogue		Research based engineering products design- Electrical systems: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
486	Bhadale group of companies - research-oriented services engineering products catalogue		Research based engineering products design- Mechanical systems: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
487	Bhadale group of companies - research-oriented services engineering products catalogue		Research based engineering product design- Civil systems: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
488	Bhadale group of companies - research-oriented services engineering products catalogue		Research based engineering products design- Inter disciplinary + Integration: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
489	Bhadale group of companies - research-oriented services engineering products catalogue		Research based engineering products design- Nanotechnologies: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
490	Bhadale group of companies - research-oriented services engineering products catalogue		Research based engineering products design- Quantum Computers: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
491	Bhadale group of companies - research-oriented - multidisciplinary blended services catalogue	May-19	This is our research service offerings for multiple disciplines like biology, chemistry and engineering that enable a better integrated system that help design of nano robots from various material from chemicals, biology and programmed to work at nano level.	Research	Complete
492	Bhadale group of companies - research-oriented - multidisciplinary blended services catalogue		Research-based - multidisciplinary IT & engineering blended design - speciality: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
493	Bhadale group of companies - research-oriented - multidisciplinary blended services catalogue		Research-based - multidisciplinary IT & engineering blended design - nanorobots speciality: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
494	Bhadale group of companies - research-oriented - multidisciplinary blended services catalogue		Research-based - multidisciplinary IT & engineering blended design - nanomaterials speciality: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New

495	Bhadale group of companies - research-oriented - multidisciplinary blended services catalogue		Research-based - multidisciplinary IT & engineering blended design - biological systems speciality: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
496	Bhadale group of companies - research-oriented services- it products catalogue	May-19	This are our research offerings for IT products design related to cloud, AI, digital technologies. We have systematic analysis and evaluation of market products to ensure your features and market value increases	Research	Complete
497	Bhadale group of companies - research-oriented services- it products catalogue		Research based IT products design - general: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
498	Bhadale group of companies - research-oriented services- it products catalogue		Research based IT products design- Cloud products: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
499	Bhadale group of companies - research-oriented services- it products catalogue		Research based IT products design-AI: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
500	Bhadale group of companies - research-oriented services- it products catalogue		Research based IT products design- Digital: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
501	Bhadale group of companies - research-oriented services- it products catalogue		Research based IT products design Automation: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
502	Bhadale group of companies - research-oriented services- it products catalogue		Research based IT products design-Mentoring products: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
503	Bhadale group of companies - research-oriented services- it products catalogue		Research based IT products design- Data center: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
504	Bhadale group of companies - research-oriented services- it products catalogue		Research based IT products design- Outsourcing: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
505	Bhadale group of companies - research-oriented services- engineering services catalogue	May-19	This is our research offering for engineering projects, cross-engineering systems, multi disciplinary systems design and hypothesis testing using lab and research reports.	Research	Complete
506	Bhadale group of companies - research-oriented services- engineering services catalogue		Research based engineering services design- general: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
507	Bhadale group of companies - research-oriented services- engineering services catalogue		Research based engineering services design- Data center – client-server, & tenant focused: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
508	Bhadale group of companies - research-oriented services- engineering services catalogue		Research based engineering services design- IT and data processing systems- client focused: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
509	Bhadale group of companies - research-oriented services- engineering services catalogue		Research based engineering services design- Electrical systems: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
510	Bhadale group of companies - research-oriented services- engineering services catalogue		Research based engineering services design- Mechanical systems: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
511	Bhadale group of companies - research-oriented services- engineering services catalogue		Research based engineering service design- Civil systems: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
512	Bhadale group of companies - research-oriented services- engineering services catalogue		Research based engineering services design- Inter disciplinary + Integration: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
513	Bhadale group of companies - research-oriented services- engineering services catalogue		Research based engineering services design- Nanotechnologies: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
514	Bhadale group of companies - research-oriented services- engineering services catalogue		Research based engineering services design- Quantum Computers: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
515	Bhadale group of companies - research-oriented it services catalogue	May-19	This is our offerings in areas of research-oriented IT services , that includes the major IT segments like cloud, digital and AI. We help clients in application of research methodologies, hypothesis testing and in improving reliability, satisfaction and offer latest research advancements unique to your offerings	Research	Complete
516	Bhadale group of companies - research-oriented it services catalogue		Research based IT services design - general: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
517	Bhadale group of companies - research-oriented it services catalogue		Research based IT services design- Cloud Architecture: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
518	Bhadale group of companies - research-oriented it services catalogue		Research based IT services design-AI: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
519	Bhadale group of companies - research-oriented it services catalogue		Research based IT services design- Digital: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New

520	Bhadale group of companies - research-oriented it services catalogue		Research based IT services design Automation: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
521	Bhadale group of companies - research-oriented it services catalogue		Research based IT services design- Mentoring Services: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
522	Bhadale group of companies - research-oriented it services catalogue		Research based IT services design- Data center services: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
523	Bhadale group of companies - research-oriented it services catalogue		Research based IT services design- Outsourcing: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
524	Bhadale group of companies - research-oriented services catalogue	May-19	This is our offerings for design of research-oriented services for end clients. This program is part of our R&D program and offers assistance to clients who seek to adopt research techniques and methodologies to their platforms	Research	Complete
525	Bhadale group of companies - research-oriented services catalogue		Research based IT services design - general: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
526	Bhadale group of companies - research-oriented services catalogue		Research based engineering services design- general: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
527	Bhadale group of companies - research-oriented services catalogue		Research based IT products design- general: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
528	Bhadale group of companies - research-oriented services catalogue		Research based engineering product design- general: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
529	Bhadale group of companies - research-oriented services catalogue		Research based multi-disciplinary, IT and engineering blended design- specialty: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
530	Bhadale group of companies - research-oriented services catalogue		Research adoption services: Details for Level 2 to be generated and integrated with general /other frameworks	Research	New
776	Research Ideas – for demo	Sep-17	Brainstormed and developed new project ideas like Solution Café, Intelligent Smart grid , Trekking aid and 30 more innovative ideas One idea is Protocol Stack where protocols like, IoT protocols, ZigBee, Lo PAN protocols, Home automation, PAN protocols, Smart Home, Smart Building, Smart campus protocols all in one bundle and these have std API for IoT device, cloud interfacing. These are bundled as per popular Smart applications, and Use cases for AWS and Azure cloud computing.	Research	Complete
