796	Cloud business strategy- for retail shoe company	Aug 2014 – Sep 2014	Generated strategy document for modernizing the website and hosting it to cloud. Analyzed and developed the overall enterprise solution for retail operator in Toronto, ON. Assisted in concept design deployment / migration of legacy to cloud platform. This helped the business owner to leverage on the cloud platform and move his few static web pages to cloud and enabled him to scale and have a hi-availability for better customer satisfaction.	Services	Complete
